

Why advertise in The Villages Mag

10
EDITIONS
PER YEAR

The Villages Mag has been a staple through letterboxes of residents and businesses of Holmes Chapel, Goostrey, Breerton, Cranage and Allostock and continues to go from strength to strength. Over the last three years we have increased the editorial with lifestyle articles like grandma's kitchen, local business new, history, motoring and fitness and worked hard to support local events and provide community news from groups and parish councils.

We are also the 'go to' place for local services and business listings. We would like to thank all our advertisers for their support, we understand that our success is only down to them getting paid work through the magazine. We can never guarantee running an advert in the magazine will bring in revenue, however the fact that businesses continue to advertise with The Villages Mag must mean something is working!

Consistent, relevant advertising is the best form and with The Villages Mag it is affordable to all the trades we need to keep our lives running as smoothly as possible.
